The Capitola Police Department is proud to announce the promotion of Senior Officer Marquis Booth to the rank of Sergeant. Sergeant Booth has been with the Police Department since August of 2005. He has held several positions within the department to include a Field Training Officer, Detective, an agent with the County Narcotics Enforcement Team, and Lead Investigator for the Investigations Section. As a Senior Officer, he oversaw the Departments Volunteer and Chaplain program, and coordinates the Safe Ride Home Program on New Year's Eve to reduce drunk driving. He will be introduced to the Capitola City Council at their next scheduled meeting, February 11, 2015. We congratulate Sergeant Booth!
