

Park Reservation Insurance Information

In effort to maintain the quality of our City Parks and ensure the safety of City Park users the City of Capitola has established the following criteria for allowing Bounce House/Inflatables and other equipment in City Parks.

To satisfy your permit requirements, you must obtain a certificate of insurance naming the City of Capitola as “additional insured” in the amount of \$1,000,000 each occurrence and \$2,000,000 general aggregate, along with additional insured endorsement, and must be on file with Capitola Recreation 24 hours prior to the date issued on your permit.
